Borough President Says De partment Heads Should Appraise Workers' Worth.

ACTION ON TEACHERS' INCREASES DELAYED

The first open protest from within the Board of Estimate against cutting city employees' salaries according to the rules of the Bureau of Standards came yesterday from Borough President Marcus M. Marks. He insisted that he ers and their sympathizers, including

and added that "we are going after the shelter scalp of any one in favor of this salary reduction programme." He thought that if anybody had to suffer the "big fellows" should come first.

A telephone call brought every available policeman in the city and several arrests followed. Patroiman Clark, who had a hand to hand battle with Theodore Reshinski of 2090 Grand ave-

At a meeting of the Board of Estiresolution granting increases to 1,056 mentary school teachers who have been promoted would be "a nasty piece of repudiation."

### Mr. Marks's Statement.

This, in part, is Mr. Marks's state-

"I cannot agree, as the Mayor does. to accept as a basis of standardisation the schedules which have been reported to our board. To begin with, they are simply tentative, and our board has not adopted them, so why should we now accept them as a basis? Secondly, the classification by groups, leaving out of Allies.

About classification by groups, leaving out of consideration the personal equation, is bound to bring many errors and injustices. In the third place the difference yards and piers when they were inbetween the standard specifications that have been submitted and existing conditions in various departments is so substantial as to make exception by special nue station and forty policemen appeal to the Board of Estimate imprac-ticable.

"The head of a department should be better able to judge of the value of an employee than an outside bureau which depends largely upon history cards for Watson-Stillman Workers Out-Comptroller Prendergast's opposition to

President Marks.

"Why punish the taxpayers?" replied Mr. Prendergast. The Mayor said he didn't like the word punishment. He added: 'Salaries are being reduced not as a punishment, but because we must retrench."

Action on the resolution was post-poned. The Comptroller said he would vote against the teachers' increases. His vote is necessary, as such appropriations require unanimity.

Cuts in the New York County Register's office were considered by the budget sub-committee yesterday. Robert McIntyre of the Comptroller's office read reports which showed, he said, steadily decreasing activities and revenues in the office of the Register. The budget sub-committee recommended that the salary of Charles Heymann, chief satisfaction clerk, be reduced from \$3.400 to \$2,820.

The comparity protest." and Register

Why punish the taxpayers?" replied Mr. Prendergast. The Mayor said he would be used to bring the new workers here and take then back to bring the new workers here and take then back to children the skilled or committee recommended to the first train, also that a humber of prisoners were transferred from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery was passed on the way northward from Torreon and that the Villa artillery
